Outline of the competition and deadlines

Please note that we only accept entrants from students up to and including first degree level or equivalent. A student may only be entered into the competition once during their studies.

1. Each college/university may select up to **three** students for the competition. An application form (overleaf) and CV must be received for each student along with their completed essay.
2. Each nominated student will be given a case study to which they will be asked to submit a written response. The case study will be sent to colleges with the competition outline.

Please note that any submitted essays may be circulated to press, on request, and used in future promotion of the award.

3. Case study responses should be no longer than 1500 words and may include diagrams/tables where appropriate. These should be submitted to RABDF by no later than **17th November 2023** to ambermckay@rabdf.co.uk
4. Candidates will be notified of the results of this round by email.
5. Finalists will be invited to attend an interview at **The Farmers Club, London on 8th December 2023**. Each finalist will be invited to give a 15-minute presentation on *‘The UK dairy industry in 10 years’ time’* to a panel of four judges. There will be an option to join via Zoom if required.
6. The winner will be announced at **Dairy-Tech on 7th February 2024** at Stoneleigh Park, Warwickshire. Two finalists will be invited to take part in a panel discussion before the winner is announced.

The winning student will receive a **£750 cash prize and a trophy.**
